Surrounded by nature on two sides, this home in Highlands is a must-see! Gleaming hardwood floors throughout the first floor welcome you home. The study with glass French doors is a perfect spot for working from home! Entertain in the dining room or gather in the great room with gas fireplace. Kitchen features maple cabinets, a breakfast bar, pantry, and eat-in area. A large mudroom with laundry, and small private office is adjacent to the kitchen. Upstairs, the owner's suite with private bathroom features soaking tub and shower, large walk-in closet and access to a huge unfinished storage area above garage. Two more bedrooms and a full bath too! Basement features large rec room, 4th bedroom and full bath! Two levels of private decks!
